

Interested in serving on the State Leadership Team?

Who?

Any youth ages 15 & older **and** any adult who would like to serve as an advisor/chaperone.

What do you do?

The leadership team is the mentor team for the youth of the denomination.

We gather to plan retreats, themes, shirts, and special activities and then help to help to set up and prepare for those events.

Serve as leaders during those events, assisting with games, crafts, taking on a key role in small group studies, etc.

Help to spread the word about opportunities for youth groups, locally and on the state level.

Are there expectations?

You must be actively involved with your church and/or local youth group.

You must attend and lead at least two of the five youth retreats for the year.

Sounds fun! How do I sign up?

Send Mrs. Jenn an email. jennchervenka@gmail.com

It needs to contain:

- Your name and age
- The church you attend
- And a sentence or two about why you want to be on the leadership team

Make sure you send the email by June 29! It really is that easy 😊!
